

## Volunteering

The College Initiative is in need of ongoing volunteer help with clerical work.

We need to:

1. Collate mailing packets for correctional facilities and ship them.
3. Call community members to update our contact information and designate one or two colleagues to receive new flyers by email.
4. Collate mailing packets for community agencies and ship them.
5. Respond to prison correspondences.
6. Maintain a log of prison correspondences completed.
7. Pick up the prison correspondences from our Post Office Box.
